

**Brain Tumour
Research**

**Match Day Programme
Sunday 12 June 2022
Welwyn Garden City Cricket Club**

Registered charity number 1153487 (England and Wales)

Thank you to everyone at Welwyn Garden City Cricket Club for the support – today would not have been possible without you!

A Quick Hello and Welcome!

Welcome to what is set to be a great day of cricket and fundraising for a charity that is very close to our hearts, Brain Tumour Research.

We wanted to host this match as a celebration and thank you to the friends and family that have been such a huge support for us over the last year.

Today's other purpose is to raise awareness as well as funds – brain tumours kill more children and adults under the age of 40 than any other cancer... yet just 1% of the national spend on cancer research has been allocated to this devastating disease. Brain Tumour Research is determined to change this.

As well as a BBQ (cooked by the best – Leroy), we hope you will take part in our raffle and auction to help raise as much as we can for this incredible charity. The prizes (and team sheet, let's not forget the cricket aspect of the day) are set out in this programme.

All that's left is to say thank you for coming today, let's hope for some sun and some top quality cricket!
